## Public Comment / Meeting Notice

The Montana Natural Resource Damage Program, on behalf of the Trustee of the State's natural resources, the Governor, is proposing a series of restoration plan amendments to transfer up to \$4.7 million from the Upper Clark Fork River Basin Restoration Fund/Butte Groundwater Restoration; \$5.8 million from the Butte Area One Restoration Fund; and \$8 million from the Upper Clark Fork River Basin Restoration Plan Reserves to fund the remainder of the Butte Area One Restoration Plan Amendment – Parrot Tailings Waste Removal Project.

The restoration plan amendments are available at: <https://dojmt.gov/lands/notices-of-public-comment/>.

These three proposed restoration plan amendments will be presented by the Natural Resource Damage Program (NRDP) at a joint meeting of the Upper Clark Fork River Basin Advisory Council and the Butte Natural Resource Damage Restoration Council, to be held on August 5, 2019 at 1:00 p.m. at the Butte-Silver Bow Public Archives, 17 W Quartz St., Butte, MT 59701.

**Written comments are due on August 22, 2019 by 5:00 PM** and should be sent via email to [NRDP@mt.gov](mailto:NRDP@mt.gov) with "2019 Restoration Plan Amendments" in the subject line, or via U.S. Mail to the Montana Natural Resource Damage Program, 1720 9th Ave., P.O. Box 201425, Helena, MT 59620-1425. NRDP's phone number is (406) 444-0205.
